FOX RUN VINEYARDS CHARDONNAY "DOYLE FAMILY" FINGER LAKES, NY

A perfect summer wine, this unoaked Chardonnay is sure to please and happily surprise those who don't typically choose Chardonnay! It's fresh and flavor-packed, with no distracting oak flavors. The mouth-feel is creamy but not laden and Fox Run Vineyards' trademark subtle melon, lemon and white nectarine aromas shine through.

MESSAGE IN A BOTTLE TUSCANY, ITALY

Sangiovese (70%), Shiraz/Syrah (15%), Merlot (15%)

Sting wrote the song "Message in a Bottle" and it became an international hit. It seemed only fitting that Sting and his wife would later buy a Tuscan vineyard and create a wine that is concentrated with pure, elegant expressions of varietals and local terroir.

On the nose are huge aromas of wild blackberries, blueberries and the sophisticated finish of freshly crushed black peppercorns. The result is a palate that is fresh, clean, brisk and alive! The addition of perfectly balanced red currant and young raspberry work symbiotically with a full, fine, yet chewy tannin structure to deliver flavors perfectly in-sync with the bouquet. Excellent balance, structure and concentration, this wine pleases any palate.
